

St Margaret's New Home, South Duxbury, Mass. This postcard was written from Duxbury to Miss Clara Slack at Stickney & Poor Splice Co., Boston. The writer says: Dear Carrie, We arrived safely and are very much pleased with everything. See my room? The piazza which is all screened in faces the water. Abbie came down with us. I hope that you are feeling better and that you won't be lonesome with everybody away. Love, Nell.
